- User manual

Top-Features:

- The compact DAB+/ FM radio offers versatile music enjoyment, whether via digital (DAB+) or analogue (FM) reception, Bluetooth 5.4 or USB (up to 32 GB).

- The replaceable 1,050 mAh battery ensures flexible use and can be charged quickly thanks to the quick-charging function via USB-C.

- The illuminated and dimmable LCD matrix display clearly shows important information such as station names, tracks or the battery level.

- An integrated 3-watt loudspeaker provides clear sound, while a 3.5 mm headphone connection ensures undisturbed listening.

- In addition, three freely assignable direct selection buttons allow quick access to favourite stations.

- Thanks to its handy and compact design, the radio is the ideal companion for travelling.
